To Whom It May Concern:

Thank you for Close-Up TV News' production of the promotional video for Hartsdale Pet Cemetery & Crematory. We recently added the video to our website and have received numerous compliments about how professional it is. You really captured the essence of our business in a format that is captivating but without a sales pitch.

Additionally, we were most impressed with your entire staff particularly Lori Ceparano, Doug Llewellyn and your camera crew. Every member of your staff was professional and pleasant. Most important, Lori was always available to answer any questions we had. The whole process went smoothly without exception and all deadlines were met. Overall, this was a great experience and I wish Close-Up TV News much success in the future.

Very truly yours,

Edward C. Martin
