Dear Lori:

Our segment on Close-up TV News has been completed, we have received our CD's and we could not be more pleased with the process and outcome.

Every step of the way, your people were knowledgeable, professional, and timely. The whole project progressed on schedule, and we felt you were taking an interest in our business and the message and image we wanted to convey. Our finished segment is terrific and we love the way you captured the caring and competency of Huntington Hills!

Thanks for a great job!

Sincerely,

Kenneth B. Knutsen
